

A LITTLE ABOUT THE FOUNDATION

The Johnston Public Library Foundation is a 501(c)(3) nonprofit organization formed in 1994 to enhance and improve the Johnston Public Library. Contributions are tax deductible pursuant to the Internal Revenue Service code.

The Johnston Public Library Foundation conducted a Capital Campaign which provided the furniture and furnishings for our current library building, which was occupied in October 2001. The Foundation continues to fund special needs for the Library.

Funds raised by the Friends of the Johnston Public Library are deposited in the Foundation account as separate line items. The president of the Friends Group is a member of the Foundation Board. Call 515-278-5233 for further information.
